 - Valerie O'Grady, Director of Support Operations, Hospital for Sick Children
"How to successfully partner with your hospitals purchasing department"

Fragrance-Free Event

Consistent with CleanMed's focus on healthy environments, green buildings and indoor air quality, we ask participants to refrain from wearing scented products, including perfume and cologne, while attending the conference.

The logo for CleanMed 2002 features a stylized cross inside a leaf-like shape on the left, followed by the text "CleanMed 2002" in a bold, sans-serif font.

Friday, 25 October (continued)

- 11:00 - 12:15
(continued) **Ethical and regulatory implications of purchasing decisions** (Merchant)
Facilitator: Sister Mary Ellen Leciejewski, MA, Env'l Coordinator, Catholic Healthcare West
- Andrew Jameton, PhD, Professor, University of Nebraska Medical Center
"Incorporating ethics into purchasing: principles, regulations, economics"
 - Jamie Harvie, PE, Project Director, Institute for Sustainable Futures
"Mercury regulation: implications for purchasing decisions"
 - Sanford J. Lewis, JD, Attorney
"Legal and regulatory issues in product procurement"
- 12:15 - 1:15 **Lunch** (Wolf Point)
- 1:15 - 2:30 **Keynote Speaker: William McDonough, FAIA, McDonough and Associates** (Wolf Point)
- 2:30 - 3:45 **Concurrent Panel Presentations**
- Problems with PVC/DEHP medical products and policy solutions** (West Stage)
Facilitator: Peter Orris, MD, MPH, Cook County Hospital
- Ted Schettler, MD, MPH, Science Director, Science and Environmental Health Network
"PVC medical products: the science, the concerns"
 - Robin Walker, MB, ChB, FRCP(C), FAAP, Chief of Neonatology, Children's Hosp. of Eastern Ontario
"The report of the Health Canada Expert Advisory Panel on DEHP in medical devices"
 - Michael Belliveau, Director, Environmental Health Strategy Center
"Reducing PVC through a statewide hospital pollution prevention agreement"
- Safer methods for disinfection, sterilization, and cleaning in hospitals** (Merchant)
Facilitator: Barbara Sattler, RN, DrPH, University of Maryland, Baltimore School of Nursing
- David J. Crimmins, RN, Infection Control Practitioner, Beth Israel
"Introduction to safer disinfection, sterilization and pest management"
 - Jamie Tessler, MPH, Research Associate, University of Massachusetts Lowell
"Glutaraldehyde in healthcare facilities: from open buckets to safer solutions"
 - Lara Sutherland, Senior Research Associate, INFORM, Inc.
"Cleaning for health"
- Tools and resources for greening health care purchasing** (Steamboat)
Facilitator: Donna Twickler, MS, Regional H2E Coordinator, US EPA Region V
- Laura Brannen, CHEM, Co-director, Hospitals for a Healthy Environment (H2E)
"Using H2E to promote green purchasing"
 - Jane Maslowski, RT, MNRM, CRSP, Env'l Health & Safety Mgr, Winnepeg Regional Health Authority
"Implementing green purchasing in the Canadian healthcare sector"
 - Patrick D. Eagan, PhD, PE, Program Director, Associate Professor, University of Wisconsin-Madison
"Applying environmental purchasing in health care"
- Building green: creative energy and water strategies** (Shakespeare)
Facilitator: Walter Vernon, IV, PE, AIA, Principal, Mazzetti & Associates
- Helen J. Kessler, AIA, MBA, Executive Vice President, Sieben Energy Associates
"Energy efficiency - taking an integrated approach"
 - Robert Loranger, PE, CHFM, Director Facilities, New England Medical Center
"Healthcare facility water conservation"

CleanMed 2002

Friday, 25 October (continued)

- 3:45 - 4:15 **Break and Exhibits** (Sauganash)
- 4:15 - 5:30 **Concurrent Panel Presentations**
- H2E: implementing a national health care environmental agenda** (West Stage)
Facilitator: Laura Brannen, CHEM, Co-director, Hospitals for a Healthy Environment (H2E)
- Charlotte Brody, RN, Executive Director, Health Care Without Harm
 - Tom Murray, MS, Chief, Prevention Analysis Branch, US Environmental Protection Agency
 - Lindsay Mac Robinson, Vice President, American Hospitals Association
 - Anna Gilmore-Hall, RN, Director Constituent Member Development, American Nurses Association
- Safer disinfection, sterilization, and pest management: case studies** (Merchant)
Facilitator: Barbara Sattler, RN, DrPH, University of Maryland, Baltimore School of Nursing
- Janice Homer, RN, New England Medical Center
"A successful IAQ case study in the NICU"
 - Roberta Enright, RN, Product Manager, Hackensack University Medical Center
"Greening the cleaning at Hackensack University Medical Center"
 - Janet Brown, Medical Waste Manager, Beth Israel
"Transition from CIDEX to CIDEX OPA for high level disinfection of reusable medical equipment"
 - Linda Henson, Safety Officer, San Francisco General Hospital Medical Center
"Simply integrated pest management: IPM at San Francisco General Hospital Medical Center"
- Building green: lifecycle perspective on materials selection** (Shakespeare)
Workshop by:
- Gail Vittori, Co-Director, Center for Maximum Potential Building Systems
 - Tom Lent, Health Care Project Coordinator, Healthy Building Network
- Moving to PVC-/DEHP-free products** (Steamboat)
Facilitator: Gary Cohen, Executive Director, Health Care Without Harm
- Kathy Gerwig, HEM, CPEA, Dir. of Env'l, Health & Safety, Kaiser Permanente
"KP and PVC"
 - Mark Rossi, MA, Senior Research Associate, Health Care Without Harm
"The market is moving away from PVC"
 - Per Rosander, Issue Coordinator, Health Care Without Harm Europe
"Demand increases supply of PVC-free medical devices in Europe."
- 5:30 - 7:00 **Exhibits and Reception** (Sauganash)

CleanMed 2002

Saturday, 26 October

- 8:00 - 9:15 **Continental Breakfast and Exhibits** (Sauganash)
- 9:15 - 10:45 **Plenary panel: Environmental initiatives in group purchasing organizations (GPOs)** (Wolf Point)
Facilitator: Tom Gruber, MBA, VP of Materials Management, Catholic Health East
- Cathy Denning, RN, MSN, Senior Clinical Manager - Safety, Novation
"Novation environmental safety initiatives"
 - Howard E. Sanders, MS, Senior VP, Group Purchasing Services, Premier, Inc.
"Environmentally preferable purchasing at Premier"
 - Julie Plaga, General Manager, Broadlane
"Implementing environmentally preferable purchasing at Broadlane"
 - John Strong, MBA, President and Chief Executive Officer, Consorta, Inc.
"Environmental initiatives in GPO's - Consorta"
- 10:45 - 11:15 **Break and Exhibits** (Sauganash)
- 11:15 - 12:30 **Concurrent Panel Presentations**
- Mercury-free hospitals** (Steamboat)
Facilitator: Rich Whate, Toronto Environmental Alliance
- Pierre Gonyon, CHSP, Haz. Substance Specialist, St. Joseph Mercy Hospital, Trinity Health; and
Teresa Tice, MS, Safety Manager, Park Nicollet Health Services
"Mercury reduction: practical experiences from healthcare"
 - Thomas J. Grant, MBA, Group Marketing Mgr, Blood Pressure Solutions, Welch Allyn, Inc.
"Safe, accurate blood pressure technologies"
- Glove selection** (Merchant)
Facilitator: Gail Lenehan, PhD, MSN, RN, Congress on Occ'l Health and Safety, Mass. Nurses Assoc.
- Gail Lenehan, "Latex gloves: understanding the problem and the issues"
 - Catherine Galligan, MS, Clearinghouse Manager, Sustainable Hospitals Project, UMass Lowell
"Considerations for selecting medical gloves"
 - Judith A. Holbein, RN, Purchasing Manager, The Ohio State University Medical Center
"Making the change to latex-free exam gloves"
- Building green: tools and resources** (West Stage)
Facilitator: Gail Vittori, Co-Director, Center for Maximum Potential Building Systems
- Jan D. Stensland, MS, ISIAQ, President, Inside Matters
"Resources for finding green materials"
 - Tom Lent, Health Care Project Coordinator, Healthy Building Network
"Evaluating emissions testing results"
 - Robin Guenther, AIA, Principal, Guenther 5 Architects
"How green? Comparing green building standards"

CleanMed 2002

Saturday, 26 October (continued)

- 11:15 - 12:30
(continued) **Environmental management systems and green purchasing: solutions or distractions?** (Shakespeare)
Facilitator: Åke Wennmalm, MD, PhD, Environmental Director, Stockholm County Council
- Robert Springer, Dir., Waste, Pesticides, and Toxics, US Environmental Protection Agency, Region V
"The state of EMS in the U.S."
 - Cheryl MacInnes, MBA, Program Manager Diagnostics and Support Services, Cambridge Memorial Hospital
"Value of ISO certification and impact on purchasing processes"
 - Manfred Mühlberger, Managing Director, ETA Environmental Management
"Gaining leverage in EMS through green purchasing in Europe"
- 12:30 - 2:15 **Lunch** (Wolf Point)
- 2:15 - 3:45 **Plenary panel: Building green health care facilities -- case studies** (Wolf Point)
Facilitator: Albert Sunseri, PhD, Executive Director, ASHE/AHA
- Jane Wigle, OAA, MRAIC, Associate Principal, Dunlop Architects Inc.
"Canadian healthcare case study"
 - Tom Lent, Health Care Project Coordinator, Healthy Building Network
"Healthcare construction case studies: American overview"
 - Robin Guenther, AIA, Principal, Guenther 5 Architects; and
Barbara Glickstein, Beth Israel
"Continuum Center for Health and Healing: a case study in green building"
 - Thomas Belazzi, MDC. PhD, MAS, Environmental Coordinator, Mischek ZT
"Healthcare and green construction: overview and case studies from Europe"
- 3:45 - 4:00 **Closing Remarks** (Wolf Point)
Charlotte Brody, RN, Executive Director, Health Care Without Harm
