Environmentally friendly cleaning products such as:

- ♦ All Purpose Cleaner
- ♦ Glass Cleaner
- ♦ Toilet Bowl Cleaner
- ♦ Kitchen Degreaser
- ♦ Hand Dish Detergent
- ♦ Oven Cleaner and others

CleanSystems US

3F Harbor Point Drive, Mill Valley, CA 94941
tel. 415.939.0301 | fax. 415.388.8041
website: www.cleansystem.com

Environmental Vision Statement:

"CleanSystem is a company dedicated to the environment. Our revolutionary cleaning system, which uses the latest in microfiber technology can eliminate between 75% - 90% of the germicidal floor cleaner used in hospitals and other healthcare facilities. Our bucketless cleaning system also eliminates cross contamination in patient care areas, which reduces the water usage used in cleaning by as much as 85%. Finally, the durable microfiber products far outlast conventional cleaning materials which reduces the amount of product in our solid waste stream."

Products to be Displayed:

- ♦ Microfiber cleaning products for Environmental Services, Infection Control & Surgical Services

Corpak Medsystems, Inc

100 Chaddick Road, Wheeling, IL 60090
tel. 800.323.6305 / 847.537.4601 | fax. 847.541.9526
website: www.corpakmedsystems.com

Products to be Displayed:

- ♦ CORFLO Feeding Pumps, Bags and sets

Daniels SharpSmart, Inc

1772 Los Arboles #J112 Thousand Oaks, CA 91360
tel. 805.905.1112
website: www.daniels.com.au

Environmental Vision Statement:

"We will develop and distribute intelligent products with a strong environmental platform without compromising Safety and Value for our customers."

Products to be Displayed:

- ♦ SharpSmart™
- ♦ TracSmart
- ♦ CartSmart
- ♦ BladeSafe™
- ♦ CarrySafe™
- ♦ Access + Plus

DuPont Antron

175 Town Park Drive , Suite 400, Atlanta, GA 30144
tel. 770.420.7963 | fax. 770.420.7900
website: antron.dupont.com

Products to be Displayed:

- ♦ DuPont™ Antron® Carpet fiber

E.L. Foust Inc.

754 Industrial Drive
Elmhurst, IL 60126
tel. 800.353.6878 / 630.834.4952 | fax. 630.834.5341
website: www.foustco.com

Environmental Vision Statement:

"Since 1974 E.L. Foust Co., Inc. has manufactured high quality air purifiers for use in asthma, chemically sensitive and allergic patients. RECOMMENDED by doctors of the American Academy of Environmental Medicine, American Academy of Otolaryngic Allergy, independent test results are available. We also carry a wide variety of products for creating a safer environment in homes, offices, schools and hospitals."

Products to be Displayed:

- ♦ Educational books and tapes on how to improve your environment

ECI Medical Technologies

2 Cook Road, Bridgewater, Nova Scotia,
Canada B4V 3W7
tel. 800.668.5289 | fax. 866.668.5289
website: www.elastyfree.com

Environmental Vision Statement:

"At ECI, our vision and goals are simple: Provide a superior environmentally preferred medical product; unparalleled customer service through distribution, EDI and Internet; and by offering a highly trained 26 member United States sale force. Categorically, Elastyfree is the clear choice and we invite you to contact ECI for further details and samples."

Products to be Displayed:

- ♦ Elastyfree: Non-latex, powder free, accelerator free, chlorine free, PVC free, ASTM F1671, and free of toxic by-product incineration sterile surgeons glove.

Ecologics Environmental

P. O. Box 1136, Hanover, MA 02339
tel. 781.608.0997 | fax. 781.837.5620

Environmental Vision Statement:

"Ecologics Environmental Corp. is committed to eliminating all cleaning agents and hazardous chemicals whose components include toxic materials. This goal will be accomplished by educating the consumer and institutional user on the merits of replacing these harsh and hazardous materials with environmentally responsible products that are safe to both the user and the environment."

Products to be Displayed:

- ♦ Environmentally responsible cleaning and disinfectant products.

EnvirOx, L.L.C.

1938 E. Fairchild Street, Danville, IL, 61832
tel. 217.442.8596 | fax. 217.442.2568
website: www.h2orange2.com

Environmental Vision Statement:

"EnvirOx L.L.C. was founded with two goals in mind: first, to structurally reduce the chemical toxicity associated with janitorial cleaning tasks, and second, to reduce the environmental impact of packaging, transportation and manufacturing of those products through the development of effective, multi-purpose, concentrated technologies."

Products to be Displayed:

- ♦ Hydrogen Peroxide based cleaners - H2Orange2 117 Concentrate, Grout-Safe, Quick-Spot, ONE, Ultimate, Glass Safe Dispensers - Spray Buddy (hand held personnel dispensing system) and Blend Buddy 2

Flooring Alternatives

PO Box 924, El Cerrito, CA, 94530
tel. 510.550.4449 / 877.639.1345 | fax. 510.528.7960
www.flooringalternatives.com

Environmental Vision Statement:

"Flooring Alternatives provides high-quality durable wood floor products from renewable sources (such as Bamboo and Cork) as alternatives for conventional hardwood. In addition, we seek solutions which are low in toxins, as alternatives to the petrochemical-based floor coverings (such as carpeting and laminates). We provide floors which are good for *the* environment and good for *your* environment."

Products to be Displayed:

- Cork flooring
- Bamboo flooring

HÅG, Inc.

108 Landmark Drive, Greensboro, NC, 27409
tel. 858.484.6624 | fax. 858.484.6624
website: www.haginc.com

Environmental Vision Statement:

"HÅG is an innovator and pioneer in the development of programs that gives waste a new life. In 2001 HÅG started a new recycled material flow by initiating the collection and recycling of used car bumpers and household waste. HAG will use over 200 tons of recycled plastic in 2002. And this plastic will have a longer life than the original one it was designed for!

HÅG is ISO 14001 certified and is the first Scandinavian furniture manufacturer to be EMAS (Eco Management Audit Scheme) registered. HÅG has committed itself to adopting and implementing an environmental policy, regularly reviewing environmental performance and reporting on it publicly. Over 35% of HÅG's suppliers, including transportation companies, have introduced systems such as ISO 14001 and EMAS."

Products to be Displayed:

- HÅG H03
- HÅG H05
- HÅG Capisco
- HÅG Convention

Health Care Without Harm

1755 S. Street, NW, Suite 6B, Washington DC 20009
tel. 202.234.0091 | fax. 202.234.9121
website: www.noharm.org

Environmental Vision Statement:

To transform the health care industry worldwide, without compromising patient safety or care, so that it is ecologically sustainable and no longer a source of harm to public health and the environment.

H2E

P.O. Box 188, Lyme, NH 03768
tel. 603.643.6700 | fax. 603.643.6710
website: www.h2e-online.org

Environmental Vision Statement:

"H2E is a program sponsored by the American Hospital Association, the US EPA, the American Nurses Association and Health Care Without Harm. In 1998 the AHA and EPA signed a Memorandum of Understanding (MOU) to advance pollution prevention efforts in our nation's hospitals with the following goals:

- Virtually eliminating mercury-containing waste from hospitals' waste streams by 2005
- Reducing the overall volume of waste (both regulated and non-regulated waste) by 33 percent by 2005 and by 50 percent by 2010
- Hazardous substances for pollution prevention and waste reduction opportunities, including hazardous chemicals and persistent, bioaccumulative, and toxic pollutants"

Interface Flooring Systems

PO Box 1503 Orchard Hill Road
LaGrange, GA 30241
tel. 706.812.6511 | fax. 706.812.6351
website: www.interfaceflooring.com

Environmental Vision Statement:

"For nearly thirty years INTERFACE has consistently led in innovations of carpet and modular systems. Interface offers award-winning designs on patented backing systems for a variety of end-use applications. Interface is setting the pace for development of modular carpet using materials and processes that take less from the environment, as it strives to become a company that, by its deeds, shows the entire industrial world what sustainability is in all its dimensions: people, process, product, place and profits."

Products to be Displayed:

- HC Collection

Lasan Plastics, Inc.

PO Box 7309, 10 Main Street, Gonic, NH 03839
tel. 603.330.0700 | fax. 603.330.9100
website: www.lasan.com

Environmental Vision Statement:

"LASAN was started in 1994 by plastic and textile engineers, with the goal of developing environment friendly products as alternatives for industry. LASAN introduced technology to develop various products for the medical market. One example was the development of PVC-free body bags. LASAN's EnviroMed-Bag™ burns clean, with no hazardous emissions.

LASAN has since developed PVC-Free and Latex-Free personal protection products, such as isolation gowns, infection control kits, etc. We have also recently begun developing PVC-Free mattress pads and a line of biodegradable products. There is no reason to use products that are damaging to the environment and pose a health threat to employees.

LASAN has innovative technology to provide safe alternatives that offer superior performance and lower cost."

Products to be Displayed:

- ♦ Biodegradable products
- ♦ PVC-free mattress pads and body bags.

MCS: Health & Environment

P.O. Box 1732, Evanston, IL 60201
tel: 847.866.9630 | fax: 847.733.0665
website: www.mcshealthenvirom.org

Environmental Vision Statement:

MCS: Health & Environment is organized for the purposes of support, education, advocacy, and collaboration for and with persons who are sensitive to chemicals in the environment (MCS = multiple chemical sensitivities).

Mondo, USA

1100 East Hector Street, Suite 160,
Conshohocken, PA, 19428
tel. 610.834.3835 | fax. 610.834.3837
website: www.mondousa.com

Environmental Vision Statement:

"Today's healthcare facilities require flooring that is aesthetically pleasing, comfortable, safe, environmentally friendly, durable, easy to clean and relatively inexpensive to maintain. Mondo is committed to creating products that meet these goals and are environmentally safe from the production stage all the way through to storage, installation, use, and eventual disposal. Every year, 12% of our revenues are invested in Research and Development to develop new concepts that meet these high objectives."

Products to be Displayed:

- ♦ Contract rubber flooring for critical intensive care, dialysis rooms, dry physical therapy rooms, energy rooms, laboratories, operating rooms, corridors, patient rooms, procedure rooms and offices.

Nora Rubber® Flooring / Freudenberg Building Systems

94 Glenn Street
Lawrence, MA 01843
tel. 978.689.0530 ext. 144 | fax. 978.688.4087
website: www.freudenberg.com, www.norarubber.com

Environmental Vision Statement:

"A commitment to continually finding solutions for the toughest floor covering problems in an environmentally sensitive way has made nora® Rubber Flooring, a division of Freudenberg Building Systems, world leader in rubber flooring. Known for its consistent quality and cutting-edge design, nora® Rubber Flooring continues to design new products for better safety, elasticity and longevity, wear resistance, easy care and lower life cycle costs."

Products to be Displayed:

- ♦ Nora® rubber flooring sheet goods, tile goods and accessories

PharmEcology Associates, LLC

200 S. Executive Drive, Suite 101
 Brookfield, WI 53005
 tel. 262.814.2635 | fax. 414.479.9941
 website: www.pharmecology.org

Environmental Vision Statement:

"PharmEcology Associates, LLC is committed to providing the healthcare and pharmaceutical industry with the information and systems needed to manage pharmaceutical waste in a cost effective, compliant and environmentally friendly manner. We accomplish this through educational seminars, on-site reviews, and a web-based subscription service providing access to responsible waste disposal information for over 100,000 pharmaceutical products based on federal regulatory and risk management criteria."

Products to be Displayed:

- ♦ Educational seminars and training
- ♦ On-site reviews
- ♦ Web based subscription service featuring access to over 100,000 pharmaceutical products with regulatory and risk management disposal recommendations
- ♦ Research and consulting services

Premier Inc.

700 Commerce Drive Suite 100
 Oak Brook, IL 60522
 tel. 630.891.4130
 website: www.premierinc.com/safety

Environmental Vision Statement:

"Premier supports the healthcare industry's efforts for the purchasing and use of products and services that enhance a safe and healthy environment for patients, workers and the community."

RCD Engineering

63 Templer Drive, Ancaster, ON L9G 3X7, Canada
 tel. 905.648.3277 | fax. 905.648.3277

Environmental Vision Statement:

"We, at RCD Engineering, accept the inevitable burden that all process manufacturing places onto both our natural resources and the environment. However, we firmly believe opportunities abound for minimizing the negative impact by trying harder and keeping an open mind. Our attitude of not accepting the status quo as the benchmark coupled with our broad process engineering experience and professional liaison have enabled us to generate many innovative process solutions. We believe these applications will continue to make favorable impact to the operating efficiency of many processes in many seemingly totally unrelated disciplines."

Products to be Displayed:

- ♦ Prototype stainless steel Vent-Mizer unit that reduces steam-boiler greenhouse gas emission and fuel consumption by 1%

SafeNow® Products

2505 E. Washington Street, Joliet, IL, 60433
 tel. 815.722.0166 | fax. 815.722.2726
 website: www.safenowproducts.com

Environmental Vision Statement:

"Cleaning products represent a major, but easily replaceable source of airborne contaminants. SafeNow® Products use surfactant technology to replace harmful chemicals with safe, yet highly effective alternatives. SafeNow® Products are made to the highest standard of performance, safety, and environmental responsibility."

Products to be Displayed:

- ♦ All-purpose cleaner
- ♦ Bathroom, window, floor cleaner
- ♦ Ultra dish liquid
- ♦ Laundry liquid
- ♦ Carpet & Stain cleaners
- ♦ VOC-Free high speed floor finish
- ♦ VOC-Free and Floor Stripper

Saint-Gobain Performance Plastics

460 Milltown Road, Bridgewater, NJ 08803
tel. 908.218.8888 | fax. 908.541.0025
website: www.saint-gobain.com

Environmental Vision Statement:

"Saint-Gobain recognizes the right of all citizens to live in an environment as free of industrial pollution as feasible. In this regard, it is Saint-Gobain's intent that its operations are in compliance with federal, state and local environmental regulations, with an emphasis on reducing or preventing pollution at the source. Maintaining the health and safety of our employees and eliminating environmental risks to the community provides substantial benefits to everyone associated with Saint-Gobain. Health, safety and protection of the environment will always be primary goals of the company."

Products to be Displayed:

- ♦ Silicone Tubing - Medical
- ♦ PVC Replacement Tubing - Medical
- ♦ Plasticizer-Free Medical Tubing

Shaw Specified Commercial / Shaw Tek

1000 V.D. Parrott Parkway, Mail Drop 071-01,
Dalton, GA, 30721
tel. 706.275.1707 | fax. 706.275.1719
website: www.shawcontract.com

Environmental Vision Statement:

"Shaw S/C is committed to sustainability - a destination fixed on the human horizon, reachable across a gulf of generations, the only sanctuary for life on this earth. Through our culture, policies, practices, and products we will push toward this goal. We will become environmental stewards within the context of a free market system, fulfilling the demand of the present, while sustaining the ability of future generations to do the same by leading the way for our industry."

Products to be Displayed:

- ♦ Medscapes
- ♦ Shaw TEK
- ♦ Green with Envy Collection

UMF Corporation

340 Ridge Road, Wilmette, IL 60091
tel. 847.920.0370 | fax. 847.920.0373
website: www.perfectclean.com

Environmental Vision Statement:

"Reducing chemical concentrations and the waste associated with the cleaning and maintenance process while redefining clean."

Products to be Displayed:

- ♦ The PerfectClean line of high performance ultramicro fiber materials and hardware designed for redefining clean.

Welch Allyn, Inc.

Medical Products
4341 State Street Road
Skaneateles Falls, NY 13153-0220
tel. 800.5356663 / 315.685.4560 | fax. 315.685.4091
website: www.welchallyn.com/medical

Environmental Vision Statement:

"Welch Allyn, Inc., one of the world's leading manufacturers of medical diagnostic equipment and patient monitoring systems, is pleased to offer a full line of mercury-free and latex-free products including aneroid sphygmomanometers that include a free mercury disposal bit and allows healthcare professionals to safely return old mercury units to Welch Allyn for recycling and disposal."

Products to be Displayed:

- ♦ Blood pressure devices
- ♦ Thermometers

World Medical Equipment, Inc.

10030 270th Street NW, Stanwood, WA 98292
tel. 360.629.5000 | fax. 360.629.5050
website: www.worldmedicalequip.com

Environmental Vision Statement:

"World Medical Equipment, Inc. offers refurbished surgical equipment, which not only meets your needs and saves you money, but also reduces overall waste. Our equipment is purchased from facilities that no longer need it and then completely restored to original manufacturer's specifications. By reusing instead of discarding this equipment, we help our customers conserve financial resources and help our environment by conserving the natural resources that would be used in manufacturing new equipment."

Products to be Displayed:

- ♦ Refurbished operating room equipment
- ♦ Lights, tables, monitors, anesthesia machines and autoclaves
