CleanMed 2004

Conference Agenda

CleanMed is the premiere national environmental conference for leaders in health care. Topics for 2004 include:

- Green Building Design and Operations
- Environmentally Preferable Purchasing
- Waste Reduction
- Safer Products for Workers

New for 2004

Green Guidelines for Healthcare Construction Workshop (13th April)

Learn about the new Green Guidelines at this day-long workshop.

Hospitals for a Healthy Environment (H2E) Awards and Workshop (13th April)

Hear from Award Winners who are institutionalizing best practices in environmentally preferable purchasing, waste minimization, and pollution prevention.

Green Buildings Poster Exhibition (14th-15th April)

Join us for the first exhibition of green health care building projects.

Stephanie Davis Waste Reduction Scholarship

In honor of Stephanie Davis, waste reduction champion and CleanMed attendee, we invite health care professionals to apply for this scholarship to attend the conference.

Who Attends CleanMed

CleanMed attracts decision makers critical to health care, including:

- Senior Health Care & GPO Executives
- Health Care Architects & Designers
- Building Engineers
- Environmental Health & Safety Leaders
- Facility & Environmental Service Managers
- Nursing & Clinical Leaders
- Manufacturers of Medical Devices & Building Products

Keynote Speakers

Dr. John Peterson Myers

Co-author of *Our Stolen Future: Are We Threatening Our Fertility, Intelligence, and Survival? – A Scientific Detective Story*; and CEO of Environmental Health Sciences.

Dr. Terry Collins

Professor of Chemistry at Carnegie Mellon University and recipient of the Presidential Green Chemistry Challenge Academic Award.

Bill McDonough speaking at CleanMed 2002

Featured Speakers Include

Laura Brannen, Co-Director, H2E

Kathy Gerwig, Director, Natural Resource Conservation, Kaiser Permanente

Muscoe Martin, Senior Associate, WRT Design

Robert Hamon, Senior VP, Premier Group Purchasing Service

John Strong, President and CEO, Consorta

Gail Vittori, Co-Director, Center for Maximum Potential Building Systems

CleanMed Signatories

Signatories support the mission and goals of CleanMed:

- American Nurses Association
- ASHE
- ASHES
- AmeriNet
- AHRMM
- Catholic Health Association
- Novation
- US Environmental Protection Agency - Region Three
- Women's Health & Environmental Network

Exhibitors

- See the latest in environmentally preferable medical devices and green building products.
- Meet leaders in firms specializing in green design and environmental services.

Tuesday, 13 April (Pre-Conference Activities)

- 8:00 - 9:00 Registration
9:00 - 5:30 Green Guidelines for Healthcare Construction Workshop
12:00 - 5:00 H2E Awards and Workshop

Wednesday, 14 April (Main Conference)

- 7:30 - 9:00 Registration, Continental Breakfast and Exhibits
9:00 - 9:30 Welcome to CleanMed 2004
9:30 - 10:45 Green by Design (plenary panel)
10:45 - 11:15 Break and Exhibits
11:15 - 12:30 Concurrent Panels
- Indoor Air Quality: Concerns in Health Care
 - Reducing Toxics in Products: DEHP, PVC and BFRs
 - Managing Pharmaceutical Hazards
 - Saving Money, Reducing Waste
- 12:30 - 1:15 Lunch
1:15 - 2:15 Keynote speaker: Dr. Terry Collins Green Chemistry and Health Care
2:15 - 2:30 Break and Exhibits
2:30 - 3:45 Concurrent Panels
- Greening the Food Chain: Health Care's Role
 - Asthma and Building Materials: Strategies for Improving Occupant Health
 - HIPAA and JCAHO Compliance: Environmental Implications
 - Implementing Environmentally Preferable Purchasing
- 3:45 - 4:15 Break and Exhibits
4:15 - 5:30 Concurrent Panels
- Life Cycle Frameworks for Materials Selection
 - Greener Cleaners, Safer Disinfectants and Sterilants
 - Computers and Electronics in Health Care
 - Alternatives to Incineration
- 5:30 - 7:00 Exhibits and Reception

Thursday, 15 April

- 7:30 - 9:00 Registration, Continental Breakfast and Exhibits
9:00 - 9:30 Opening Remarks
9:30 - 11:00 GPOs: Progress Towards Environmentally Preferable Purchasing (plenary panel)
9:30 - 11:00 Green Building Poster Exhibition: Open Discussion
11:00 - 11:30 Break and Exhibits
11:30 - 12:45 Concurrent Panels
- Spotlight on Green Building Projects
 - Purchasing Products for Safety
 - Integrated Pest Management
 - Reprocessing Single Use Devices
- 12:45 - 1:30 Lunch
1:30 - 2:30 Keynote speaker: Dr. John Peterson Myers
Low Doses, High Concern: Chemicals and Human Health
2:30 - 3:45 Greening Health Care through H2E (plenary panel)
3:45 - 4:00 Closing Remarks

CleanMed 2004

REGISTRATION FORM

Limited space! Registrations only complete with payment.
