

# **CleanMed 2004**

Philadelphia, PA • 14 - 15 April, 2004

# EXHIBITORS

## Advanced Vapor Technologies

7719 - 230th street S.W.  
Edmonds, WA, 98026  
Tel. 425.775.9000, 800.997.6584 | Fax. 425.775.1993  
Website. [www.advap.com](http://www.advap.com)

### Environmental Vision Statement

"Products for a better quality of life through improved indoor air quality, less use and exposure to cleaning chemicals, hands free approach to cleaning, and through efficient resource management supporting sustainability of facilities and its management."

### Products to be displayed

- ♦ Chemical free sanitation and cleaning systems, using only high temperature, low moisture, low volume steam vapor. High surface temperature not only removes surface soils, but also kill bacteria and germs in the same operation. Safe, simple, easy to use, and 100% environmentally safe.

## B. Braun Medical

25 McGraw Avenue  
Irvine, CA 92623  
Tel. 949.660.2027 | Fax. 949.660.2730  
Website. [www.bbraun.com](http://www.bbraun.com)

### Environmental Vision Statement

"B. Braun is the only U.S. manufacturer of a full line of basic IV solutions in non-PVC, non-DEHP packaging. Made from biologically inert, non-toxic plastic materials, EXCEL® and PAB® IV containers are easy to handle, and have rigid saddles and ports for safer and easy medication addition and administration set connection."

### Products to be displayed

- ♦ EXCEL® and PAB® Intravenous Solutions
- ♦ PIC™ Irrigation Solutions
- ♦ Introcan® Safety™ IV Catheters and Needle-free systems

## Bio Systems

155 Sherwood Avenue  
Farmingdale, NY, 11735  
Tel. 631.756.9433  
Website. [www.biosystemsusa.com](http://www.biosystemsusa.com)

### Environmental Vision Statement

"To reduce medical waste through the use of responsible sharps management services."

### Products to be displayed

- ♦ Reusable sharps containers

## Bay West Paper

1150 Industry Road  
Harrodsburg, KY 40330  
Tel. 800.723.0001 | Fax. 859.734.8200  
Website. [www.baywestpaper.com](http://www.baywestpaper.com)

### Environmental Vision Statement

"Bay West Paper, and our parent company, Wausau-Mosinee Paper Corporation, are committed to being good environmental citizens in all communities in which we operate. We acknowledge our responsibility to safeguard natural resources and the environment for future generations. This will be achieved by complying with the spirit as well as the letter of the law. Protecting the environment is in harmony with our business goals. We feel that high standards of environmental protection may be achieved within a framework of good business practices."

### Products to be displayed

- ♦ Bay West produces and markets a complete line of towels, tissue, soaps, wipers and dispensing systems for health care facilities. Bay West offers an EcoSoft™ Green Seal® line of 28 towel and tissue products, certified by Green Seal, Inc. The EcoSoft™ Green Seal® products are 100% recycled, meet or exceed EPA's guidelines for post-consumer waste, and are made with de-inking and bleaching processes free of chlorine and other harmful chemicals. In addition, the products are free of mercury and feature environmentally preferable packaging. The EcoSoft™ Green Seal® products support the Hospitals for a Healthy Environment (H2E) program.

## **Bonded Logic, Inc.**

411 East Ray Road  
Chandler, AZ, 85225  
Tel. 480.812.9114 | Fax. 480.812.9633  
Website. [www.bondedlogic.com](http://www.bondedlogic.com)

### **Environmental Vision Statement**

"Every breath is an important one. It's Bonded Logic's mission to provide insulation that is environmentally safe, offers no health risks, and provides superior performance. Utilizing post-industrial recycled natural fibers, Bonded Logic creates insulation products that do not off-gas, offer no VOC concerns, and contain no harmful irritants. All products are Class-A fire rated, mold/bacteria resistant, and contain no formaldehyde. Bonded Logic products are eligible for the LEED Ratings Program and offer maximum sound control."

### **Products to be displayed**

- ♦ Ultratouch Natural Cotton Fiber Insulation

## **Cascade Asset Management / Paragon Development Systems, Inc.**

2601 Seiferth Road  
Madison, WI 53716  
Tel. 608.222.4800 | Fax. 608.222.6208  
Website. [www.cascade-assets.com](http://www.cascade-assets.com) / [www.pdspc.com](http://www.pdspc.com)

### **Environmental Vision Statement**

"Cascade and PDS provide comprehensive information technology asset recovery services. We help our clients best utilize their existing IT resources, and find the best use for their unwanted electronic equipment. We invest in and develop internal resources for data wiping and media destruction, refurbishing and remarketing, as well as disassembly and material recovery. We are committed to a sustainable future where the world can enjoy the benefits of technology without worry of its costs."

### **Products to be displayed**

- ♦ Information technology retirement services
- ♦ Environmentally responsible recycling and disposition of computer equipment, electronics and medical equipment

## **Catholic Health Association**

1875 Eye Street, NW, Suite 1000  
Washington, DC, 20006  
Tel. 202.721.6320 | Fax. 202.296.4024  
Website. [www.chausa.org](http://www.chausa.org)

- ♦ H2Orange2 Critical Care Disinfectant
- ♦ H2Orange2 Quick Spot

## **Forbo Linoleum Inc.**

PO Box 667  
Hazleton, PA 18201  
Tel. 570.459.0771 | Fax. 570.450.0229  
Website. [www.forbolinoleumna.com](http://www.forbolinoleumna.com)

### **Environmental Vision Statement**

"Forbo is the world leader in linoleum. Our products are associated with beautiful and innovative design, long life and consistent high production quality. Our global brands, Marmoleum and Artoleum, are sold worldwide with a proven track record of over 100 years of continuous production. One of the cornerstones of being a world leading manufacturer is to be a global leader in environmental responsibility. Not the marketing of environmental responsibility, but the practice of environmental responsibility."

## Grass Software

4401 Juanita Way S.  
St. Petersburg, Florida 33705  
Tel. 727.823.8757

### Environmental Vision Statement

"A sensible and wise approach to managing hospital waste"

### Products to be displayed

- ♦ ewaste - Hospital waste management software

## Health Care Without Harm

1755 S. Street NW Suite 6B  
Washington, DC 20009  
Tel. 202.234.0091 | Fax. 202.234.9121  
Website. [www.noharm.org](http://www.noharm.org)

### Environmental Vision Statement

"Health Care Without Harm is an international coalition of 431 hospitals and health care systems, medical professionals, community groups, health-affected constituencies, labor unions, environmental and environmental health organizations and religious groups in 52 countries. Our mission is to transform the health care industry worldwide, without compromising patient safety or care, so that it is ecologically sustainable and no longer a source of harm to public health and the environment."

### Products to be displayed

- ♦ Information brochures, reports, fact sheets and other publications

## Hospitals for a Healthy Environment (H2E)

PO Box 53315  
Washington, DC 20009  
Tel. 202.234.0091 | Fax. 202.234.9121  
Website. [www.h2e-online.org](http://www.h2e-online.org)

### Environmental Vision Statement

"Hospitals for a Healthy Environment (H2E) is a voluntary program jointly sponsored by the American Hospital Association, the American Nurse Association, Health Care Without Harm, and the U.S. Environmental Protection Agency. H2E is designed to help health care facilities reduce their environmental impact while saving money and reducing liabilities."

## Keep Antibiotics Working

1875 Connecticut Avenue, NW, Suite 600  
Washington, DC, 20009  
Tel. 202.572.3250 | Fax. 202.234.6049  
Website. [www.keepantibioticsworking.com](http://www.keepantibioticsworking.com)

### Environmental Vision Statement

"Keep Antibiotics Working (KAW) is a coalition of health, consumer, agricultural, environmental and other groups dedicated to eliminating an important cause of antibiotic resistance - the routine overuse of medically important antibiotics in animal agriculture. Young children, the elderly and immune-compromised individuals are particularly susceptible to antibiotic-resistant illnesses. To prevent the spread of antibiotic resistance, one strategy KAW employs is working with food service providers to increase demand for meat and poultry raised without routine antibiotics."

## Mondo USA

1100 East Hector Street, Suite 160  
Consnohocken, PA 19428  
Tel. 610.834.3835 | Fax. 610.834.3837  
Website. [www.mondousa.com](http://www.mondousa.com)

### Environmental Vision Statement

"Today's healthcare facilities require flooring that is aesthetically pleasing, comfortable, safe, environmentally friendly, durable, easy to clean and inexpensive to maintain. Mondo is committed to creating products that meet these goals and are environmentally safe from the production stage all the way through to storage, installation, use and eventual disposal. Every year, 12% of our revenues are invested in research and development to develop new concepts that meet these high objectives."

### Products to be displayed

- ♦ Rubber contract flooring

## **Nora Rubber® Flooring / Freudenberg Building Systems**

94 Glenn Street

Lawrence, MA 01843

Tel. 978.689.0530 | Fax. 978.975.0110

Website. [www.norarubber.com](http://www.norarubber.com)

### **Environmental Vision Statement:**

“In keeping with our corporate philosophy to protect the environment and the finite resources of the world, Freudenberg implemented an intensive R&D program to utilize natural rubber as a renewable resources in Nora® compounds, continually designing new products for better safety, elasticity, wear resistance and easy care as well as lower life cycle costs through increased product longevity. Based on 50 years of experience, our products are made for tomorrow and setting new standards of excellence.”

### **Products to be displayed :**

- ♦ Nora rubber flooring sheet goods
- ♦ Tile goods and accessories

## **PharmEcology Associates, LLC**

200 S. Executive Drive, Suite 101

Brookfield, WI, 53005

Tel. 414.258.8359 | Fax. 414.479.9941

Website. [www.pharmecology.com](http://www.pharmecology.com)

### **Environmental Vision Statement**

“PharmEcology Associates, LLC is the first and only source of information specifically tailored to the healthcare industry to interpret and apply complex EPA hazardous waste regulations to discarded pharmaceuticals. PharmEcology Associates will help you establish a disciplined approach to pharmaceutical waste management practices. Our current services include confidential on-site reviews of current practices, conferences with relevant department managers and administrators, assistance in developing compliant systems, and staff training to assure implementation.”

- ♦ We offer consulting services and tools to assist hospitals in identifying, segregating and managing hazardous pharmaceutical waste.
- ♦ We will offer educational resources at the booth and information on our services.

## **Premier Safety Institute**

700 Commerce Drive, Suite 100

Oak Brook, IL 60522

Tel. 630.891.4865

Website. [www.premierinc.com/safety](http://www.premierinc.com/safety)

### **Environmental Vision Statement**

“Premier supports the healthcare industry's efforts for the purchasing and use of products and services that enhance a safe and healthy environment for patients, workers and the community.”

## **Redemtech**

4089 Leap Road

Columbus, OH 43026

Tel. 800.743.3499 | Fax. 614.850.3354

Website. [www.redemtech.com](http://www.redemtech.com)

### **Environmental Vision Statement**

“Electronic components contain many substances which are considered harmful if released into the environment, particularly lead. When it comes to technology disposition, Redemtech believes the best practice is "Reuse." Remarketing, redeployment, donation, employee sales, trade in and parts harvesting all provide higher financial, social and environmental benefits than recycling - Redemtech's "last resort" solution for handling technology disposal. We manage de-manufacturing in-house and monitor end refiners to ensure recycling conforms to state, federal and EPA guidelines.”

### **Products to be displayed**

- ♦ The Redemtech suite of enterprise recycling solutions that help large corporations reduce the costs and liabilities of managing end-of-life business technology. Our disposition services include asset remarketing, enterprise redeployment, lease return and OEM trade-in management, charitable donations and employee sales, with the industry's #1 rated data erasure technology and environmentally-safe disposal practices.

## SafeSource

1020 Plain Street, Suite 340  
Marshfield, MA 02050  
Tel. 781.608.0997 | Fax. 781.837.5620

## Environmental Vision Statement

"Human Safety Is Our First Priority"

## Products to be displayed

- ♦ Human safe industrial cleaning and disinfectant products

## Spartan Chemical Company

1110 Spartan Drive  
Maumee, OH 43537  
Tel. 419.531.5551 | Fax. 419.724.7500  
Website. [www.spartanchemical.com](http://www.spartanchemical.com)

## Environmental Vision Statement

"Spartan's Green Solutions product line has been created with current and future global environmental concerns in mind. Green Solutions products enjoy the following benefits:

- ♦ Improve indoor air quality
- ♦ Limit human exposure and surfaces from aggressive cleaning products
- ♦ Reduce health risk by implementing the use of environmentally preferable and reduced risk products
- ♦ Emphasize cleaning for health and sanitation"

## Products to be displayed

Spartan Chemical Company is an international manufacturer of specialty maintenance products which includes a complete line of environmentally preferable products

- ♦ products for disinfecting and sanitizing, hard floor and carpet care, restroom and hand cleaners
- ♦ chemical management dispensing systems
- ♦ educational training resources
