

CleanMed 2006

Seattle, WA • 18 - 20 April, 2006

Exhibitor Guide

Advanced Vapor Technologies

7719 – 230th street S.W.
Edmonds, WA, 98026
Tel. 425.775.9000 | Toll Free 800.997.6584
Fax. 425.775.1993
Website. www.advap.com

Environmental Vision Statement

Products for a better quality of life through improved indoor air quality, less use and exposure to cleaning chemicals, hands free approach to cleaning, and through efficient resource management supporting sustainability of facilities and their management. AVT is a sponsor of Green Seal Cleaning Service Standard.

Products to be displayed

MondoVap 2400 Steam Vapor System w/TANCS™.
Chemical free sanitation and cleaning systems, using only high temperature, low moisture, low volume steam vapor with TANCS™. High surface temperature not only removes surface soils, but also kills bacteria and germs in the same operation. Safe, simple, easy to use, and 100% environmentally safe.

Antos Environmental

PO Box 309
Hillsdale, NY 12529
Tel. 518.325.5410 | Fax. 518.325.5409
Website. www.antosenvironmental.com

Environmental Vision Statement

Based on the principles of ethics, education, and the environment, we are committed to creating a new culture within institutions that responsibly enhances the organization, both environmentally and economically.

Products to be Displayed

Pollution Prevention initiatives
Internal Medical and Solid waste Stream Management
Confidential Waste Solutions
Recycling Initiates
Organic (food) waste management (compost initiatives)

Arden Architectural Specialties Inc.

151 Fifth Avenue NW, Suite J
St. Paul, MN 55112
Tel. 651.631.1607
Fax. 651.631.0251

Environmental Vision Statement

Arden Architectural Specialties is committed to minimizing the environmental effects of the products we make. As part of this continuous improvement effort, we are phasing out PVC production and introducing new technologies in bio-based, rapidly renewable and recycled materials. We are constantly looking for new ways to reduce, reuse and recycle waste and improve production efficiency while increasing the quality and effectiveness of our products.

Products to be Displayed

Arden Architectural will be introducing a new line of corn-polymer blend wall protection including corner guards, crash rails and handrails. We will also show our current line of entrance mats and grates and stair nosings all of which contain recycled and bio-based materials.

Ascent Healthcare Solutions

10232 S. 51st Street
Phoenix, AZ 85044
Tel. 888.888.3433 | Fax. 480.763.5320

Environmental Vision Statement

Partnering with healthcare providers to deliver excellent patient care, by maximizing value while providing exceptional service and uncompromising quality.

B. Braun Medical

824 Twelfth Avenue
Bethlehem, PA 18018
Tel. 610.997.4259 | Fax. 610.691.6249
Website. www.bbraunusa.com

Environmental Vision Statement

B. Braun Medical is the only full-line manufacturer of IV solutions in PVC-free, DEHP-free containers and was one of the first corporations to recommend minimizing their use in medical products. EXCEL® PVC-free, DEHP-free large volume IV containers weigh 28-48% less than comparable PVC containers. When PVC containers are incinerated, they release up to 30 times more hydrogen chloride gas into the atmosphere than EXCEL

containers do upon incineration. B. Braun Medical Inc. provides a broad array of products that give customers an environmentally-friendly alternative to meet their healthcare needs.

Basel Action Network

122 S. Jackson Street, Suite 320
Seattle, WA 98104
Tel. 206.652.5555 | Fax. 206.652.5750
Website. www.ban.org

Environmental Vision Statement

BAN works to prevent the globalization of the toxic chemical crisis. We work in opposition to toxic trade in toxic wastes, toxic products and toxic technologies, that are exported from rich to poorer countries. Alternatively, we work to ensure national self-sufficiency in waste management through clean production and toxics use reductions and in support of the principle of global environmental justice – where no peoples or environments are disproportionately poisoned and polluted due to the dictates of unbridled market forces and trade.

Products to be Displayed

List of responsible recyclers, large photos of dumping in developing countries, DVD's, reports, briefing papers, articles, promotional materials for electrical recyclers who have qualified for our list of responsible recyclers.

Baxter Healthcare Corporation

One Baxter Parkway
Deerfield, IL 60015
Tel. 1.800.4BAXTER | Fax. 1.847.948.3642
Website. www.baxter.com

Environmental Vision Statement

For 75 years, Baxter has drawn together healthcare specialists and business professionals to save and enhance lives through innovative healthcare solutions. Equally important is how our company works – shared values, financial strength and work to reduce our environmental impact. A recognized global leader in sustainability, Baxter has been named one of the “Global 100 Most Sustainable Companies.”* By balancing the needs of today with those of tomorrow, we help change lives and change the world for the better.

Glass Cleaner
Oven Cleaner
Pot and Pan Detergent
Kitchen Degreaser

C/S Group – Construction Specialties Inc.

6696 Route 405 Highway
Muncy, PA 17756
Tel. 800.233.8493 | Fax. 570.546.7771
Website. www.c-sgroup.com

Environmental Vision Statement

Construction Specialties, Inc. recognizes its role in the preservation and improvement of our global environment. C/S understands the concerns some customers have regarding products made of PVC compounds. We have addressed this issue by offering Acrovyn® Wall Protection in a PVC-free compound. Additionally, C/S has introduced many new products and processes to assist our customers who are working on LEED™ registered buildings. C/S Sustainability Initiatives are active and ongoing, with periodic updates and new developments.

Products to be Displayed

PVC-free Acrovyn® 3000 Wall Protection – C/S
Acrovyn® 3000 is the only complete PVC-free wall protection system on the market. It is UL Class 1 fire rated, contains no halogenated or brominated fire retardants, and offers the same protection as traditional Acrovyn. Acrovyn 3000 handrails, wall guards, corner guards and rigid sheet are also available in the same shapes and colors as traditional Acrovyn.

Cascade Asset Management

6701 Manufacturers Drive
Madison, WI 53704
Tel. 608.222.4800 | Fax. 608.222.6208
Website: www.cascade-assets.com

Environmental Vision Statement

Cascade Asset Management is committed to a sustainable future where the world can enjoy the benefits of technology without worry of its costs to the environment. We provide comprehensive information technology asset management services focused on environmental responsibility. Through our secure data wiping, media destruction, refurbishing and remarketing, disassembly and material recovery, we integrate and promote environmental sustainability in all that we do to ensure we leave the world better prepared for the future.

Products To Be Displayed

Information technology retirement services
Environmentally responsible recycling and disposition of computer equipment, electronics and medical equipment.

Coastwide Laboratories

10000 SW Commerce Circle Drive
Wilsonville, OR 97070-6613
Tel. 503.218.4900 | Fax. 503.218.4901
Website. www.coastwidelabs.com

Environmental Vision Statement

Coastwide Laboratories believes that a sustainable community will use its resources to meet current needs while ensuring that adequate resources are available for future generations. We believe in order to provide a sustainable community we must seek to improve public health and a better quality of life by preventing pollution, limiting waste, promoting efficiency and maximizing conservation. We believe that ingredients, packaging, life-cycle assessment and life-cycle cost are all important components of an effective commitment to green cleaning products.

Products to be Displayed

Products and services to enable our partners to achieve their sustainable goals related to janitorial and sanitary facilities maintenance, including our award-winning Sustainable Earth Cleaning Chemicals, designed to meet the highest standards, specifically promoting a cleaner, safer, and more sustainable environment.

Cryovac – Sealed Air Corp.

Website. www.cryovacmedical.com

Products to be Displayed

Flexible materials for packaging sterilizable medical solutions.

Daniels Sharpsmart

161 N. Clark Street, Suite 4700
Chicago, IL 60601
Tel. 312.523.2022
Fax. 312.523.2004
Website. www.danielsinternational.com

Environmental Vision Statement

Daniels' Sharpsmart system brings proven sharps injury reductions, and being reusable the system also reduces large volumes of plastic waste previously discarded to the environment. The Sharpsmart system is the only safety device in the world that is proven to reduce sharps injuries and reduce waste from the environment.

Products to be Displayed

2 gallon, 4 gallon and 8 gallon containers and accessories

Eco Concepts Inc.

25 Riverview Drive
Salem, Ontario, Canada NDB 150
Tel. 519.846.8028
Fax. 519.846.0563
Website: www.eco-concepts.com

Environmental Vision Statement

Eco Concepts believes that hospitals have an environmental choice. We encourage hospitals to make this choice while at the same time we need to be cost competitive and solution strong. Using the patented Ecolotec unit, hospitals can have an on site solution that treats their medical waste in an efficient and thorough manner without having to transport medical waste. The Ecolotec will treat the waste and the results are 100% sterilization, greatly reduced volume, and pollution free!

Forbo Flooring

PO Box 667 Humboldt Industrial Park
Hazleton PA 18201
Tel. 800.842.7839 | Fax. 570.450.0229
Website: www.forbolinoleumNA.com

Environmental Vision Statement

Creating better environments... this statement reflects the mission and values of Forbo Flooring. From the indoor environment to the natural environment, Forbo's products and services combine design and functionality in world-class flooring solutions. Naturally occurring anti-static properties make Marmoleum and Artoleum easy to clean, while naturally occurring antimicrobial properties stop the breeding of many micro-organisms such as allergen producing dust-mites, and the MRSA strains of bacteria. These features, combined with simple, low cost maintenance and unmatched durability make Marmoleum and Artoleum ideal choices for the indoor environment.

Hospira, Inc.

Address: 275 N. Field Drive
City, State, Zip: Lake Forest, IL 60045
Tel. 224.212.2000 | Fax. 224-212-3350
Website. www.hospira.com

Environmental Vision Statement

Hospira, Inc. is a global specialty pharmaceutical and medication delivery company dedicated to Advancing Wellness™ by developing, manufacturing and marketing products that help improve the productivity, safety and efficacy of patient care. The company is committed to a sound global and workplace environment, and operates in a responsible manner to protect the health and safety of its employees, customers, communities and the environment. The company's policies promote responsibly using and conserving the earth's sustainable resources; reducing the generation, discharge and disposal of waste; and increasing the recycling and reuse of its products.

Hospitals for a Healthy Environment

1901 N. Moore Street; Suite 509
Arlington, VA 22209
Tel. 703.243.0056
Website. www.h2e-online.org

Environmental Vision Statement

The leading national force in helping hospitals with environmental improvement, Hospitals for a Healthy Environment (H2E) is based on the vision of a healthy health care system – a system that embraces safer building products, clean air, safe working practices, and a commitment to public health demonstrated through waste volume and toxicity reduction. To achieve this, H2E provides practical solutions through a website full of resources, regular teleconferences offering expert help for environmental challenges, and a listserv where colleagues across the country share best practices and strategies for pollution prevention. At CleanMed 2006, we honor nearly 200 facilities for environmental excellence through our annual awards program. To learn more, visit www.h2e-online.org.

Organic To Go

601 Union Street Suite 3700
Seattle, WA 98101
Tel. 425.890.2692 | Fax. 206.374.3057
Website: www.organictogo.com

Environmental Vision Statement

To provide “clean” wholesome food and raise the tide of consumer demand and awareness. Our cafes and delivery provide organic and natural prepared foods that are sourced from as many local and sustainable producers as possible. As our business grows, consumer demand and expectation will grow for wholesome food: raised responsibly with the most positive impact on the environment. Our vision is that this becomes the standard by which all food is produced and processed.

Orkin Commercial Services

2170 Piedmont Road
Atlanta, GA 30324
Tel. 800.675.4666 | Fax. 404.888.2760
Website: www.orkincommercial.com

Environmental Vision Statement

Orkin is a leading provider of pest control services throughout the United States and Canada. Orkin’s technicians utilize the latest technologies to help manage pests for your business.

Products To Be Displayed

Modeled on the pest control recommendations of Health Care Without Harm, Orkin’s Gold Medal Protection for Health Care is designed to guide health care providers toward more effective and environmentally friendly pest control practices. The program’s rigorous IPM protocols are consistent with the recommendations of the American Society for Healthcare Environmental Services (ASHES) and Hospitals for a Healthy Environment (H2E).

PharmEcology Associates, LLC

200 S. Executive Drive, Suite 101
Brookfield, WI, 53005
Tel. 262.814.2635 | Fax. 414.479.9941
Website: www.pharmecology.com

Environmental Vision Statement

PharmEcology Associates, LLC is a unique source of information specifically tailored to the healthcare industry to interpret and apply complex EPA hazardous waste regulations to discarded pharmaceuticals. PharmEcology Associates assists hospitals and other healthcare organizations in developing a disciplined approach to pharmaceutical waste management practices. Our current services include rapid evaluation of current inventory, maintenance of information through our online search engine, confidential on-site reviews of current practices, and implementation support and certification.

Products to be Displayed

We offer consulting services and tools to assist hospitals in identifying, segregating and managing hazardous pharmaceutical waste. We will offer educational resources at the booth and information on our services.

Red Bag Solutions, Inc.

3455 Peachtree Road, Suite 500
Atlanta, GA 30326
Tel. 404.841.2204 | Fax. 404.841.2205
Website. www.redbag.com

Environmental Vision Statement

RedBag Solutions provides the safest solution for on-site processing of regulated medical waste, sharps, liquids and HIPAA materials. Our technology sterilizes and macerates RMW waste (up to 90% volume reduction) for disposal as municipal trash. Through our Managed Services programs, we can deploy with no capital outlay. Healthcare, clinical lab, bio-science, and pharmaceutical industries now have an environmentally friendly RMW destruction process that uses no hazardous chemicals nor generates harmful emissions, hazardous byproducts or unpleasant odors.

Products to be Displayed

Regulated medical waste and HIPAA materials destruction services and solutions.

Safety Institute, Premier, Inc.

700 Commerce Drive, Suite 100
Oak Brook, IL 60523
Tel. 704.733.5865
Website. www.premierinc.com/safety

Environmental Vision Statement

Premier, Inc. is committed to assisting its members and supporting industry efforts to enhance the safety and health of patients, healthcare workers and the environment through its environmentally Preferable Purchasing (EPP) program, a collaboration of its Safety Institute and Group Purchasing Program. As part of its EPP program, Premier provides publicly available resources and tools to assist hospitals with their environmental safety agenda and offers environmentally friendly products, packaging, and services to members as part of its group purchasing contracts in collaboration with suppliers that share Premier's environmental commitment.

Products to be Displayed

Venturi Medical Systems, LLC

22030 Iden Avenue
Castro Valley, CA 94546
Tel. 510.885.0201 | Fax. 510.885.0403
Website. www.vmsek.com

Environmental Vision Statement

“Venturi Medical Systems is committed to a cleaner, safer and sustainable environment.” Our proprietary ‘electrode technology’ eliminates the deleterious effects from millions of discarded (PVC) EKG electrodes on the environment. Venturi patient cable technology reduces EKG costs, saves time and enhances patient comfort. In the U.S. over 100 million EKGs are performed annually using plastic disposable electrodes, which ultimately end up polluting our environment and wasting scarce healthcare dollars.

Products to be Displayed

The VMS Pv-3 Electrode and Patient Cable System
The VMS PC-ECG & PC-Based Diagnostic Multi-Tests

Vestara

1555 A McGaw Avenue
Irvine, CA 92614
Tel. 949.660.8648 | Fax. 949.660.8659
Website. www.vestara.com

Environmental Vision Statement

As a pioneer in the development of technology systems that provide safe, practical and cost-effective solutions to pharmaceutical waste management, Vestara is committed to helping the healthcare industry meet federal and state regulations while reducing the risks to our health and wellbeing. EcoRex is the first hospital-based automated waste management system that efficiently identifies, classifies, sorts and stores Rx waste at or close to the point of care, reducing disposal costs while preserving the natural environment.
