**Subject:** Entry Submission Materials & Forms  
CleanMed 2006

**Date:** January 16, 2005

## ***You're Invited!***

---

Dear Architect/ Designer:

Guenther 5 Architects shares your commitment to sustainable design and is honored to present CleanMed as the premier forum for displaying your achievements. CleanMed declares as its mission support for the construction of green healthcare buildings, and has created space to hold this exhibit.

***You are invited to display your work at this year's conference.*** Now in its second term, this poster session has gained momentum. Only those with green healthcare buildings, or projects registered with the Green Guide pilot can submit. Your participation in this Exhibit is crucial. It will motivate other design professionals and healthcare executives to act accordingly.

Please review details of the Poster Session Exhibit and mark the date for this year's conference (April 18-20, Seattle). Additionally, please visit [www.cleanmed.org](http://www.cleanmed.org) to download the appropriate Green Building Workshop and Main Conference registration forms.

Be prepared to submit your Entry Forms by March 31, 2006 so that the right amount of space for your display can be secured! Early Bird registration for the conference ends March 01, 2006, though you're welcome to register at any time.

Best of luck, and look forward to seeing you there.
