19-20 April 2006 • Seattle, Washington • The Westin Hotel

Sponsor Levels

Partner • Sponsor • Supporter • Friend • Signatory

Partner

Partners express their dedication to the mission and goals of CleanMed by contributing to the financial resources necessary for organizing and running CleanMed. The benefits of being a Conference Partner are:

- Prominently featured as Partner on all promotional materials, including flyers and brochures;
- Highlighted as Partner in CleanMed brochure, which will be used in mailings to potential sponsors and funders, signatories (including hospitals and healthcare systems), exhibitors, speakers, and attendees;
- Recognized as Partner with on-site signs;
- Company description in registration package for attendees, with option to include information on environmental policies and projects;
- Prominently listed in registration package as Partner;
- Link to Partner's website on Conference homepage;
- Recognized as Partner and for making significant contributions to the Conference from the podium;
- Special table set-up with company information that is available for the entire Conference;
- Four complimentary full Conference registrations.

Cost: \$15,000 and Partners agree to pay travel expenses for any presenter from Partnering organization.

Sponsor

Sponsors express their dedication to the mission and goals of CleanMed by contributing to the financial resources necessary for organizing and running CleanMed. Sponsors may agree to host an event at the Conference, including a continental breakfast, break, lunch, book-signing or reception. The benefits of being a Conference Sponsor are:

- Recognized as a Sponsor with on-site signs;
- Company description in registration package for attendees, with option to include information on environmental policy statements and projects;
- Listed as Sponsor in CleanMed brochure, which will be used in mailings to potential sponsors and funders, signatories (including hospitals and healthcare systems), exhibitors, speakers, and attendees;
- Link to Sponsor's website on Conference homepage;
- Three complimentary full Conference registrations.

Cost: \$10,000 and Sponsors agree to pay travel expenses for any presenter from Sponsoring organization.

Supporter

Supporters endorse the mission and goals of the CleanMed Conference by contributing to the financial resources necessary for organizing and running CleanMed. The benefits of being a Conference Supporter are:

- Company description in registration package for attendees, with option to include information on environmental policy statements and projects.
- Listed as Supporter in CleanMed brochure, which will be used in mailings to potential sponsors and funders, signatories (including hospitals and healthcare systems), exhibitors, speakers, and attendees.
- Link to Supporter's website on Conference homepage.
- Two complimentary full Conference registrations.

Cost: \$5,000 and Supporters agree to pay travel expenses for any presenter from Supporting organization.
