

ST. JOSEPH MAKES HASTE FOR LESS WASTE

The Green Team, Towson MD

This year for earth day: Fundraising with flowering plant sale \$500 to go towards more recycling container

FY 2010 we had a 35% overall decrease in RBW and increase in recycling

FY 2011 GOALS

- Increase our RBW reduction another 5% over last year goal
 - Increase recycling 10% more over last year

Costs for RBW reduction is 11 cents more per pound and our average RBW per month is about 47,000 pounds!
