

## Speakers at CleanMed Europe Session By Session

**Monday, 29 May 2006**

**08.30 - 10.00**

**P1: Sustainable Strategies for Green Building**

**Ingemar Ziegler, CEO, Locum AB:**

*"A Sustainable Strategy for Healthcare in Stockholm"*

**Gösta Fernström, Program Director, Fernia Consulting:**

*"Sustainability in the Partnering process"*

**Matthew Janssen, Environmental Manager, Skanska UK:**

*"Moving from Sustainable Rhetoric to Reality: Hospital Design in Skanska UK"*

**10.30 - 12.00**

**P2: Opening Session**

**Dr. Lena Sommestad, Sweden's Minister of the Environment**

**Anders Wijkman, Member of the European Parliament**

**Dr. Gavin ten Tusscher, Chairman of the Board, Health Care Without Harm Europe**

**13.30 - 14.45**

**S1: Energy Saving in Buildings**

**Dorthe Bechmann, Danish Energy Authority**

*"Energy Certification of Buildings"*

**Olaf Bruun Jørgensen, Head of Energy and Indoor Climate Section, Esbensen Consulting Engineers:**

*"HOSPITALS - Monitored Results and Lessons Learned from Five Energy Conscious European Hospitals and Health Care Buildings"*

**Anders Nilson, Manager Energy and Environment, Bengt Dahlgren AB:**

*"System Analysis and Procurement With a Life Cycle Perspective"*

**13.30 - 14.45**

**S2: Environmental Classifications of Buildings**

**Dr. Raymond J. Cole, Professor, School of Architecture, University of British Columbia:**  
*"Building Environmental Performance Assessing Progress"*

**Dr. Göran Finnveden, Professor, Center for Environmental Strategies Research, Royal Institute of Technology:**  
*"Creating an National System for Environmental Classifications of Buildings: A Swedish Project"*

**Kristina Gabriell, Project Coordinator, NCC:**  
*"NCC Concept House"*

**13.30 - 14.45**

**S3: Alternative Waste Management**

**Alan Watson, Public Interest Consultant:**  
*"Waste Management in Hospitals: General Trends from a Health and Community Perspective"*

**Pawel Gluszynski, Chairman, Waste Prevention Association:**  
*"Improving Medical Waste Management and Disposal Practices in Central and Eastern Europe"*

**Cestmir Hrdinka, Executive Director, Health Care Without Harm Europe:**  
*"Waste Minimisation Through Implementing Alternative Technologies for Medical Waste Treatment"*

**15.10 - 15.55**

**P3: "Revolution in Environmental Health Sciences: New Opportunities to Protect Our Health"**

**John Peterson Myers, CEO, Environmental Health Sciences**

**16.00 - 17.30**

**S4: The Importance of Sustainable Materials in Building**

**Alan Whitson, President, Corporate Realty, Design & Management Institute:**  
*"Turning Green Into Gold"*

**Varis Bokalders, Architect, Ekokultur Konsulter:**  
*"How to Choose Materials From an Environmental Point of View"*

**Ethel Forsberg, Director General, Swedish Chemicals Inspectorate:**  
*"The Right Product Decisions Prevent Hazardous Effects and Save Cost"*

**Stig Thörnviik, CEO, Aqua Konsult:**  
*"Methods for Inventory and Decontamination of Mercury in Hospital and Dental Clinic Sewers"*

**16.00 - 17.30**

**S5: Design of Buildings and its Importance for Wellbeing**

**Robin Guenther, Architect FAIA, Guenther 5 Architects**

*"The Green Guide for Health Care and Wellbeing"*

**Dr. Thorbjörn Laike, Associate Professor, Dept of Architecture and Built Environment, Lund University:**

*"The Constructed Environment's Influence on Wellbeing"*

**Dr. Thorbjörn Andersson, Landscape Architect, Sweco FFNS**

*"How to Get Well Without a Doctor: Landscape Architecture as Rehabilitation Device"*

**16.00 - 17.30**

**S6: Integration of Environment Into Everyday Management**

**Dr. Bruno Klausbruckner, Professor, Hospital of Vienna Association:**

*"Step By Step Implementation of EMS"*

**Dr. Ingemar Petersson, Senior Medical Officer, Spenshult Hospital:**

*"Benefits of ISO 14001:2004 Certification in Health Care and Research"*

**Anna Vesterberg, Head of Environmental and Sustainability Department, Karolinska University Hospital:**

*"How To Make a Company's Manager Take Responsibility for the Improvements"*

---

## Tuesday, 30 May 2006

**08.30 - 10.00**

**P4: Pollution and Health**

**Dr. Tord Kjellström, Professor, Health and Environment International Trust:**

*"Pollution and Health: A Global Perspective"*

**Dr. Magnus Svartengren, Professor, Dept of Public Health, Karolinska Institutet:**

*"The 10 Most Important Actions Regarding Environment to Promote Health in the Population of Stockholm"*

**10.30 - 12.00**

**S7: Green Transportation**

**Gunilla Wicktor, PR Manager, Västtrafik**

*"The Ring to Ride Scheme: Transport of Healthcare Patients Through Public Transportation"*

**Jan Hultgren and Anders Bringborn, Project Manager and Purchasing Manager, cities of Stockholm and Borlänge:**

*"Co-ordinated Deliveries of Goods to the Cities of Stockholm and Borlänge"*

**Charlotta Lundberg, Project Manager, The Efficiency Coach Association**

*"Eco-Driving and Efficiency Coaches: Save Environment and Money While Driving"*

**10.30 - 12.00**

**S8: Green Chemistry: The New Chemistry**

**Dr. James Clark, Professor, Clean Technology Centre, University of York**

*"Green Chemistry for a Healthier Environment"*

**Dr. Ken Geiser, Professor of Work Environment, University of Massachusetts Lowell:**

*"Moving Towards More Sustainable Materials Requires a Shift to Safer and Less Wasteful Chemistries"*

**Per Rosander, Director, Chemsec:**

*"Legislative Means for Avoiding Dangerous Toxic Chemicals – REACH"*

**10.30 - 12.00**

**S9: Sustainable Food**

**Dr. Pia Lindeskog, COOP Norden:**

*"Why Sustainable Food is Good Healthcare"*

**Dr. Bent Egberg Mikkelsen, Senior Scientist, Danish Institute for Food and Veterinary Research:**

*"How to Increase Organic Food Within Healthcare"*

**Mike Duckett, Catering Manager, Royal Brompton and Harefield NHS Trust:**

*"Sustainable Food Procurement"*

**13.30 - 14.15**

**P5: "What does 'sustainability' mean? And how do we do it?"**

**Alan AtKisson, President, The AtKisson Group**

**15.30 - 17.00**

**S10: Information and Training**

**Lennart Bjurström, CEO, Agapo AB**

*"It's All About People"*

**Susan Wilburn, Senior Advisor, International Council of Nurses:**

*"Nursing, Environment and Health: Educating Nurses for Action on Environmental Health Practice and Policy"*

**Maria Mårfält, Head of Pharmacy Academy, Apoteket AB:**

*"Interactive Education: Successful Experiences from 10,000 Employees at the National Corporation of Swedish Pharmacies"*

**Daniel Eriksson, Environmental Coordinator, Malmö University Hospital:**

*"Programs for Environmental Training in Complex Groups"*

**15.30 - 17.00**

**S11: Ways to Green Procurement**

**Jill Michielssen, Administrator, European Commission:**

*"Green Public Procurement: A New Way of Greening the Supply Chain"*

**Per Dahlgren, Director Procurement, Stockholm County Council:**

*"A Model for Green Procurement"*

**Viveca Reimers, Coordinator Green Procurement, Region Västra Götaland:**

*"Value-Adding of Green Procurement"*

**15.30 - 17.00**

**S12: Working with Sustainability**

**EU Representative to be announced:**

*"The Sustainability Strategy of the EU"*

**Staffan Söderberg, Acting Vice-Chair, ISO Working Group on Social Responsibility:**

*"An International Standard for Social Responsibility: Report from ISO"*

**Sören Olofsson, Executive Director, Stockholm County Council:**

*"Hindrances and Possibilities for Sustainable Reporting"*

**18.00**

**Reception and Buffet at the City Hall**

**Wednesday, 31 May 2006**

**08.30 - 10.00**

**P6: Pharmaceuticals and the Environment I**

**Dr. Klaus Kümmerer, Professor of Environmental Chemistry, University of Freiburg:**  
*"Pharmaceuticals in the Environment: The European Perspective"*

**Dr. Gisela Holm, Swedish Association of the Pharmaceutical Industry:**  
*"Environmental Classification of Drugs"*

**10.30 - 12.00**

**S13: Waste Management of Infectious, Pharmaceutical and Other Special Waste**

**Dr. Staffan Castensson, Associate Professor, Apoteket AB:**  
*"Pharmaceutical Waste: Management Situation in Europe"*

**Michael McKeon, Lecturer in Nursing, Dublin City University:**  
*"Clinical Waste"*

**Bertil Krakenberger, Consultant, Kemi & Miljö:**  
*"Legislation and Good Practices for Security and Practicality"*

**10.30 - 12.00**

**S14: Green Procurement: Examples and Experiences**

**Dr. Mark Rossi, Senior Research Associate, Health Care Without Harm:**  
*"From PVC to Safer Alternatives: Green Procurement in Health Care"*

**Dr. Andreas Lischka, Professor, Kinderklinik Glanzing:**  
*"PVC Free Neonatology: A Case Study from Children's Clinic Glanzing"*

**Kristina Mårtensson, Senior Advisor GPP, Miljöstyvningsrådet/EKU:**  
*"Phasing Out BFR's in Health Care: From Computers to Medical Devices"*

**10.30 - 12.00**

**S15: International Panel: The Global South Perspective**

**Joshua Karliner, International Team Coordinator, Health Care Without Harm:**  
*"Sustainability for Health Care: Global Perspective"*

**Merci Ferrer, Southeast Asia Coordinator, Health Care Without Harm:**  
*"Environment and Health for Children: The Case Study of Measles Immunisation Project in Philippines"*

**One more speaker to be announced**

**13.30 - 15.00**

**S16: Verification: Did We Really Do It?**

**Dr. Torbjörn Brorson, Professor, IIIIEE, Lund University, Senior Consultant, WSP Environmental:**

*"Environmental Audits as a Tool for Improvement"*

**Thomas Bergmark, Manager Social and Environmental Affairs, IKEA Group:**

*"To Make it Happen in Reality"*

**Herta Maier, Diploma Engineer, Hospital of Vienna Association:**

*"The Importance of Environmental Reporting"*

**13.30 - 15.00**

**S17: Alternatives to Hazardous Products**

**Stina Andersson, European Commission, Environment Directorate-General:**

*"The Mercury Strategy and How it is Taken Forward"*

**Dr. Tommy Eylis, Doctor of Dental Surgery, Chairman of Stockholm Private Dentist Association**

*"Alternatives to Amalgam"*

**Bernt Wistrand, Environmental Engineer, Stockholm Vatten:**

*"Measures to Remove Mercury from Sewer Systems in Stockholm"*

**Dr. Åsa Melhus, Associate Professor, Dept of Clinical Microbiology, Uppsala University Hospital:**

*"Silver in Hospital Products: A New Health and Environmental Problem?"*

**13.30 - 15.00**

**S18: Pharmaceuticals and the Environment II**

**Dr. Åke Wennmalm, Environmental Director, Stockholm County Council:**

*"Drug Residues in the Environment: Levels and Risks"*

**Dr. David Taylor, Professor, Brixham Environmental Laboratory**

*"Environmental Aspects in the Development of New Drugs"*

**Dr. Christian Daughton, U.S. Environmental Protection Agency:**

*"Pharmaceuticals in the Environment: The American Perspective"*

**15.15 - 16.15**

**P7: Closing Session**
