

## CleanMed Europe Poster Exhibition

|   |   |
|---|---|
| Title of project  |   |
| Topic(s) (underline)  | <ul style="list-style-type: none"> <li>Energy</li> <li>Water</li> <li>Cleaning</li> <li>Disinfection</li> <li>Laundry</li> <li>Food</li> <li>Products</li> <li>Waste handling</li> <li>Buildings</li> <li>Transportation</li> <li>Communication</li> <li>Environmental Management</li> </ul>  |
| Short summary of the project<br>(Describe the initiative and the main achievements of the project)  |   |
| Goals of the project  |   |
| Course of the project & measures<br>(Describe the main activities, measures, milestones, etc. during the planning, implementation, and evaluation of the project) |   |
| People involved in the project,<br>(external) partners  |   |
| Noteworthy success factors (Any special hints or suggestions for others who want to start a similar activity)   |   |
| Project period (start and end date)   |   |
| Current project status (underline)  | <ul style="list-style-type: none"> <li>Project implementation</li> <li>Project finished</li> <li>Project finished and transferred to regular workflow</li> </ul>  |
| Short description of the healthcare facility where the project was implemented (e.g. hospital type, specialised areas, number of employees, beds...)              |   |
| <b>Results achieved</b>   |   |
| Environmental benefit (select the relevant areas, if possible quantify and explain)   | <ul style="list-style-type: none"> <li>Reduced material consumption (products, materials, packaging, etc.)</li> <li>Reduced energy consumption</li> <li>Reduced water consumption</li> <li>Reduction and/or substitution of dangerous substances</li> <li>Reduction of waste (amount / quality), improved waste treatment</li> <li>Reduced emissions to air</li> <li>Reduced emissions to water</li> <li>Reduced risk of accidents</li> <li>Indirect environmental impacts</li> </ul> |
| Financial benefits (cost savings achieved versus necessary investment for equipment, materials, human resources etc.)   |   |

## CleanMed Europe Poster Exhibition

|  |   |
|--|---|
| Other benefits (select the relevant areas, if possible quantify and explain) | Improved worker safety<br>Facilitate workflow, time savings<br>Better communication and cooperation<br>Health promotion<br>Quality assurance<br>Better service quality for patients<br>Improved image |
|--|---|
